Dear Ms. Mirabello:

On behalf of the City of Parkland's City Commission, we extend our thanks and appreciation for the donation of the beautiful painting "The Parkland Promenade" by Maurice Katz.

This life-like painting is a wonderful depiction of the scenery we have come to enjoy throughout the City of Parkland. We are especially proud to display this artwork in the Parkland City Hall for residents and visitors to view while conducting their business.

Again thank you for the donation.

Sincerely,

Caryn Gardner-Young
City Manager
